49 CFR Ch. V (10–1–06 Edition)

wishes to have withheld from public disclosure in accordance with part 512 of this chapter.

(11) Contains the statement: “I certify that I have read and understood the duties of a Registered Importer, as set forth in 49 CFR 592.6, and that [name of applicant] will fully comply with each such duty. I further certify that all the information provided in this application is true and correct. I further certify that I understand that, in the event the registration for which it is applying is suspended or revoked, or lapses, [name of applicant] will remain obligated to notify owners and to remedy noncompliances or safety related defects, as required by 49 CFR 592.6(j), for each vehicle for which it has furnished a certificate of conformity to the Administrator.”

(12) Has the applicant’s signature acknowledged by a notary public.

(b) If the application is incomplete, the Administrator notifies the applicant in writing of the information that is needed for the application to be complete and advises that no further action will be taken on the application until the applicant has furnished all the information needed.

(c) If the Administrator deems it necessary for a determination upon the application, NHTSA conducts an inspection of the applicant. Subsequent to the inspection, NHTSA calculates the costs attributable to such inspection, and notifies the applicant in writing that such costs comprise a component of the initial annual fee and must be paid before a determination is made upon its application.

(d) When the application is complete (and, if applicable, when the applicant has paid a sum representing the inspection component of the initial annual fee), the Administrator reviews the application and decides whether the applicant has complied with the requirements prescribed in paragraph (a) of this section. The Administrator shall base this decision on the application and upon any inspection NHTSA may have conducted of the applicant’s conformance, storage, and recordkeeping facilities and any assessment of the applicant’s personnel. If the Administrator decides that the applicant complies with the requirements, (s)he in-

forms the applicant in writing and issues it a Registered Importer Number.

(e)(1) The Administrator shall deny registration to any applicant who (s)he decides does not comply with the requirements of paragraph (a) of this section and to an applicant whose previous registration has been revoked. The Administrator also may deny registration to an applicant that is or was owned or controlled by, or under common ownership or control with, or in affinity with, a Registered Importer whose registration has been revoked. In determining whether to deny an application, the Administrator may consider whether the applicant is comprised in whole or in part of relatives, employees, major shareholders, partners, or relatives of former partners or major shareholders, of a Registered Importer whose registration was revoked.

(2) If the Administrator denies an application, (s)he informs the applicant in writing of the reasons for denial and that the applicant is entitled to a refund of that component of the initial annual fee representing the remaining costs of administration of the registration program, but not those components of the initial annual fee representing the costs of processing the application, and, if applicable, the costs of conducting an inspection of the applicant’s facilities.

(3) Within 30 days from the date of the denial, the applicant may submit a petition for reconsideration. The applicant may submit information and/or documentation supporting its request. If the Administrator grants registration as a result of the request, (s)he notifies the applicant in writing and issues it a Registered Importer Number. If the Administrator denies registration, (s)he notifies the applicant in writing and refunds that component of the initial annual fee representing the remaining costs of administration of the registration program, but does not refund those components of the initial annual fee representing the costs of processing the application, and, if applicable, the costs of conducting an inspection.

(f) In order to maintain its registration, a Registered Importer must file an annual statement. The Registered

Importer must affirm in its annual statement that all information provided in its application or pursuant to § 592.6(q), or as may have been changed in any notification that it has provided to the Administrator in compliance with § 592.6(l), remains correct, and that it continues to comply with the requirements for being a Registered Importer. The Registered Importer must include with its annual statement a current copy of its service insurance policy. Such statement must be titled "Yearly Statement of Registered Importer," and must be filed not later than September 30 of each year. A Registered Importer must also pay any annual fee, and any other fee that is established under part 594 of this chapter. An annual fee must be paid not later than September 30 of any calendar year for the fiscal year that begins on October 1 of that calendar year. The Registered Importer must pay any other fee not later than 15 days after the date of the written notice from the Administrator.

(g) A registration granted under this part is not transferable.

(h) An applicant whose application is pending on September 30, 2004, and which has not provided the information required by paragraph (a) of this section, as amended, must provide all the information required by that subsection before the Administrator will give further consideration to the application.

However, if the Registered Importer has procured a continuous entry bond, it must furnish the Administrator with such bond, and must furnish the Secretary of Homeland Security (acting on behalf of the Administrator) with a photocopy of such bond and Customs Form CF 7501 at the time of importation of each motor vehicle.

(1) The declaration required by § 591.5 of this chapter.

(2) All vehicle or equipment purchase or sales orders or agreements, conformance agreements between the Registered Importer and persons who import motor vehicles for personal use, and correspondence between the Registered Importer and the owner or purchaser of the vehicle.
